SITUATION SUMMARY

PUBLIC HEALTH AND MEDICAL (EF-8) State Health Officer Issues Risk-Based Quarantine Order to Provide Consistent Guidelines for Counties

- There continues to be no reported or confirmed cases of Ebola in California.
- State Health Officer and California Department of Public Health (CDPH) Director Dr. Ron Chapman today took action to help prevent any potential spread of the disease in the state by issuing a quarantine order and associated guidelines that require counties to individually assess persons at risk for Ebola and tailor an appropriate level of quarantine as needed.
- The order which applies to anyone traveling to California who has 1) traveled to California from an Ebola affected area; and 2) has had contact with someone who has a confirmed case of Ebola, requires those travelers to be quarantined for 21 days.
- A person traveling to this region that has not come into contact with a person with Ebola will not be subject to quarantine.
- Full press release with hyperlink to the order is attached

Aircraft Down, Navy Base Ventura County – Point Migu (New/Final)

- On 10/29/14 at 1713 hours a Hawker Hunter single pilot aircraft from Navy Base Ventura County (NVBC) - Point Migu crashed on approach. The crash site is located north of the runway in an agriculture field.
- The Cal OES Law Branch has confirmed (1) fatality.
- NBVC activated its Emergency Operations Center (EOC).
- Ventura County EOC activated to a Level 1 to support NBVC and the Incident Command Post (ICP).
- Unified Command was established with Ventura County Sheriff, Ventura County Fire Department, and the Navy Base Ventura County - Point Migu.
- The Ventura County OES Duty Officer responded to the Command Post.
- The Cal OES Executive Duty Officer (EDO), Southern Region Regional Administrator (RA), Cal OES Law Duty Officer, Cal OES Southern Duty Officer, and Cal OES Region monitored the situation.

CAL OES COASTAL REGION (New/Final)

- San Francisco DEM activated their EOC on 10/30/14 for the 7th Game of the World Series.
- Victory celebrations occurred in San Francisco throughout the evening and early morning hours.
- Crowds set off fireworks and burned debris in the streets. Police dispersed crowds and arrests and property damage were reported.
- The San Francisco Municipal Transportation Authority reported that bus services were temporarily suspended throughout the city as a precaution and traffic was blocked on several streets. Muni Metro service was not disrupted and continued both in the subway and on the surface. Shuttle busses supported metro service.

Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought

SITUATION SUMMARY

Week-Ahead Weather: Key Points

Thursday-Friday

- Rain and thunderstorms moving into NW CA Thursday night, shifting as far south as central and parts of southern CA by Friday
- Potential for accumulating heavy snow and travel impacts in the northern and central Sierra beginning on Friday (slick roads, blowing snow, low visibility)
- Gusty winds near the Sierra Crest, and also southern mountain downslopes and deserts (blowing dust, aviation turbulence)

Saturday-Sunday

- Heavy snow potential remaining in the northern and central Sierra Saturday, decreasing on Sunday

Monday-Wednesday

- No significant hazards or impacts expected
- Rain possible again NW CA Mon-Tue
- Gradual warming trend

California OES Impact Threat Matrix

Oct 30, 2014 – Nov 05, 2014

| DAY/THREAT | THU | FRI | SAT | SUN | MON | TUE | WED |

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

A cold front will bring rain to the region Thursday evening into Friday. Isolated thunderstorms will be possible Friday afternoon and night.

San Francisco Weather:

Cooling is expected today ahead of an approaching Pacific cold front. The cold front will spread rain across the entire region late tonight into Friday. Showers and isolated thunderstorms are forecast for Friday night into Saturday morning. Dry weather will return Saturday night and continue through the middle of next week as high pressure rebuilds.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

Mild weather can be expected for today under upper level high pressure. A cold front will impact interior Northern California beginning tonight then moving through Northern California on Friday. The front will bring rain and mountain snow along with cooler temperatures, and a slight chance of thunderstorms. Showers are expected behind the front on Saturday. Snow levels will lower to around 4500 feet Saturday morning. Showers will end early Sunday with drier and milder weather early next week.

Hanford Weather:

High pressure will provide for one more day of dry and warm conditions today. A low pressure system will move across the area on Friday and Saturday bringing a chance of rain and mountain snow to the area by Friday afternoon with a better chance of precipitation Friday night and Saturday. High pressure and dry weather will return for next week.

WEATHER

WEATHER SYNOPSIS BY REGION:

SOUTHERN CALIFORNIA:

Los Angeles Weather:

It will be partly to mostly cloudy today with temperatures near normal. Skies will turn cloudy tonight. There will be morning drizzle across the coasts and valleys Friday morning. Rain will overspread the area starting Friday afternoon over the central and moving into areas south of point conception later in the evening. Temperatures will plummet to below normal on Friday and Saturday.

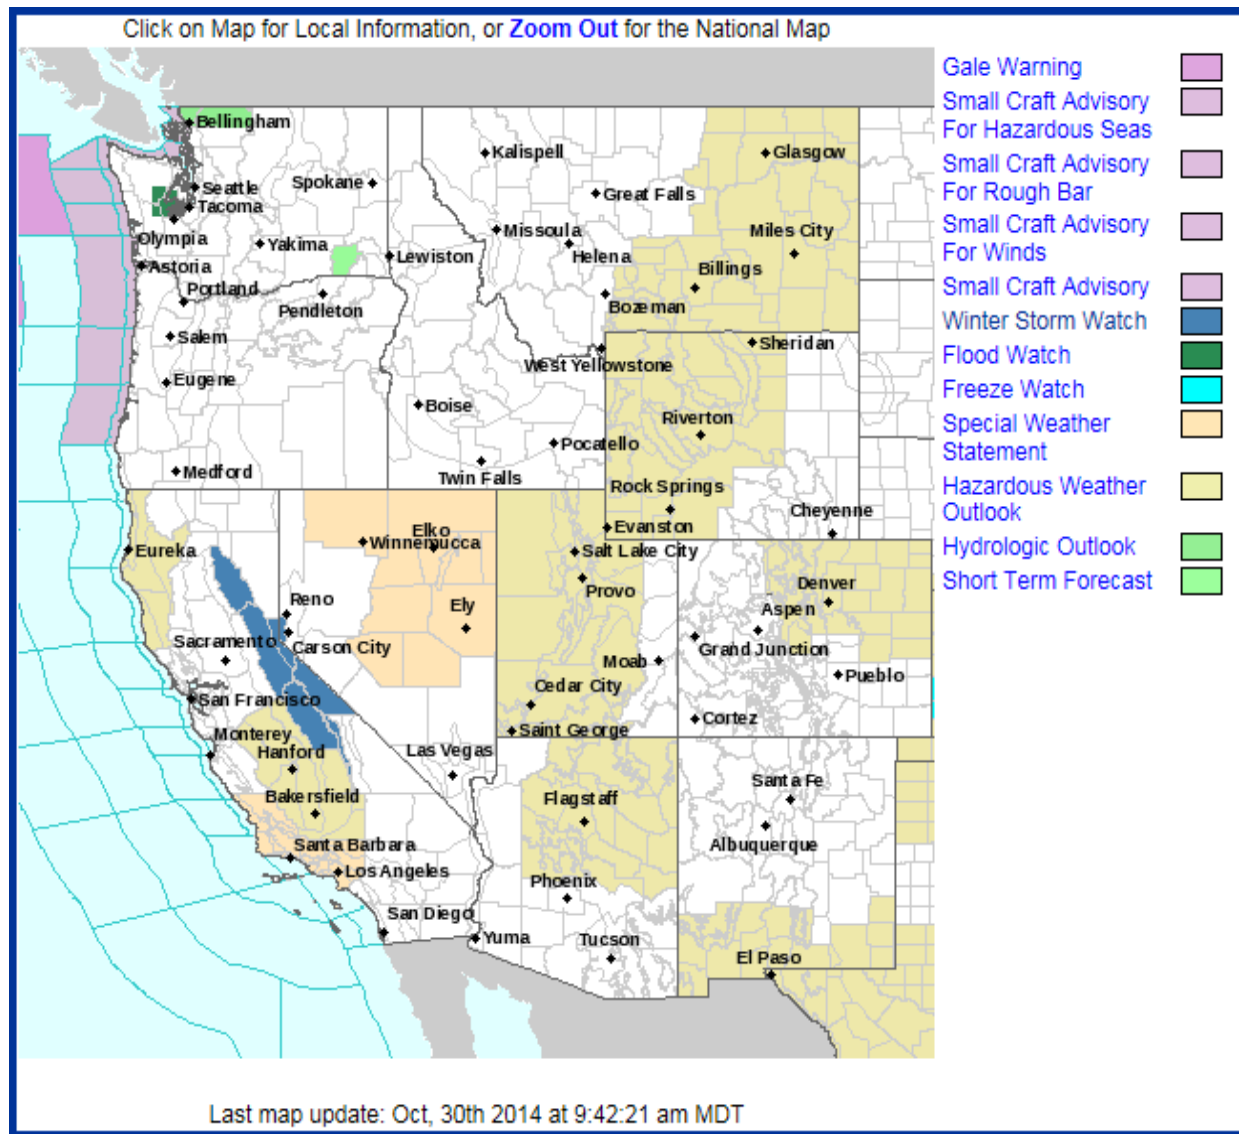

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

Mild weather today then a major winter-like storm pushes into the west coast during the day Friday with cooler temperatures and increasing cloudiness as a trough of low pressure deepens down the west coast. This storm will bring stronger onshore flow a deeper marine layer and rain and high elevation snow showers to much of the region. The storm will drift east Sunday and be followed by increasing high pressure for warmer days and weak to moderate offshore flow early next week.

Southeast California Weather:

High temperatures will continue to be well above normal through Friday though there will be some high clouds around today. Over the weekend a low pressure system moves into the western states. It will bring bringing much cooler temperatures and breezy conditions to our region with highs dropping into the 70s on the lower deserts. Rain chances will be slight and confined to the higher terrain. Anticipate little change in temperatures Monday followed by a warming trend Tuesday and Wednesday.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Recovery Activities

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The filing deadline to return applications for property damage is 12/01/14. The deadline to return economic injury applications is 07/01/15.
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL will continue to provide guidance to the LTRG group and is meeting with subcommittees on 10/29/14, and the Executive Board on 10/30/14.
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyous.edu/humanresources/documents/fireresourcelist.pdf>. Additional information on recovery efforts can be found at <https://weed.recovers.org/>.
- Food donations are being accepted at 310 Boles Street.
- [CalRecycle is beginning the process of contacting property owners for the removal of trees. Homeowners will be asked to sign a separate Disposition of Tree Agreement \(DTA\). No tree removal will begin on a property until the DTA is signed. Tree stumps will not be removed. Tree removal is slated to begin next week.](#)
- [On 10/28/14, the City of Weed reestablished water pressure to its downtown area; however, the water storage capacity for fire suppression is still lacking. The City expects water storage to be restored by 12/31/14, or sooner if the weather permits.](#)

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Cal Recycle reports:

Air monitoring activities continue in the work area and surrounding community.

22,409.22 total tons of debris have been removed as of Day 25 of operations (445.23 tons of metal delivered for recycling; 7,663.48 tons of concrete delivered for recycling; and 14,300.51 tons of debris, ash and soil delivered for disposal)

The Numbers as of Day 25

- 133 Sites registered for the removal project (Right-of-Entry, includes library, community center and 2 churches).
- 12 Sites denied entry.
- 133 Sites documented.
- 133 Asbestos surveys completed.
- 65 Sites with asbestos containing material.
- 65 Sites cleared of asbestos containing material.
- 126 Debris removal completed.
- 97 Sites sampled.
- 22 Sample results approved.
- 0 Erosion control completed.
- 0 Approved by City of Weed as ready for a building permit.

Cal OES Deployments

- One (1) Cal OES Recovery staff is assigned.

RECOVERY ACTIVITIES

Magnitude 6.0 Earthquake, American Canyon, Napa County

- Cal OES and FEMA announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.
- [Low-interest federal disaster loans are now available to California residents and business owners as a result of President Obama's major disaster declaration. The declaration covers Napa and Solano counties as a result of the South Napa Earthquake and aftershocks that occurred August 24 – September 7, 2014.](#)

Recovery Activities

- The deadline for Cal OES to submit the Request for Public Assistance of potential applicants to be considered for reimbursement for this event ended, 10/24/14. Fifty-nine (59) RPAs were received and eight (8) were withdrawn for a total of fifty-one (51) RPAs submitted to FEMA. [Thirty-One \(31\)](#) Kickoff Meetings have been completed.
- The Napa Long Term Recovery Committee (LTRC) is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement. A follow up meeting is pending.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. The Vallejo Earthquake Recovery Group (VERG), a long term recovery group, has formed and has established by-laws and elected an Executive Board. The VERG has reached out to nonprofit partners regarding a general member meeting scheduled for October 31, 2014.
- Local Assistance Center (LAC): County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). The LAC is open until further notice.

CAL OES 2014 DROUGHT

Cal EOC Incident – 2014 Drought

- The SOC and REOCs are activated at Level 2 in support of the Drought State of Emergency Monday through Friday, from 0800-1700 hours.
- The Santa Barbara County OA EOC is activated at Level 2 to be handled by the duty officer for the purpose of monitoring activities and gaining situational awareness. The operational period is Monday through Friday, from 0800-1700 hours.
- The Governor issued an Executive Order on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought. Specifically, through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
